I am having trouble logging into Moodle and/or viewing the videos. That should I do now?

To insure quality viewing of the Moodle videos, we recommend Mozilla Firefox as the browser and using the latest version of Adobe Flash and allowing the video to completely download before viewing. Your computer should also be set to accept cookies.

What is the enrollment key?

The enrollment key is a tool for transportation supervisors to access the videos for the Group View option only. If you are taking the course as an individual on Moodle, you should not receive this prompt. If you do receive this prompt, review the username and password used to

log into Moodle. You have accessed a personal account and are not in the correct driver account set up for you by the DOE.

The video won't play or keeps stopping.

Be sure you are using the latest version of Adobe Flash and your computer is set to accept cookies. Additionally, once you start the video, you can pause it and let the content completely download before viewing the video. If you continue to have issues check with your internet service provider to be sure you have enough bandwidth to run the video.

When will I get my card?

Beginning April 15, 2014 all yellow cards will be printed by the local districts, so when you pass the ASM check with your local district as to when they will be giving you your yellow card.

Will you mail my card to my home?

We do not mail yellow card certifications any longer; you would need to check with your local district, private school, or contractor for delivery of your card.

Can I drive a school bus if I have passed the ASM course, but have not received my 2014 yellow card?

State law requires you to have a valid certification in your possession while driving a school bus on Indiana roadways. If you currently have a yellow card that is valid through December 31, 2014, you may drive with that card until it expires on December 31, 2014. If you have not received your renewed 2015 yellow card prior to January 1, 2015, you cannot legally drive a school bus until you have the 2015 card in your possession.
